-60°C Chest Freezer LX6110CF

Email: info@labdex.com **website:** www.labdex.com

Description

-60°C Chest Freezer LX6110CF offers substantial storage space for different medical products. It is an environmentally friendly device with an adjustable temperature range of -25°C to -60°C. Designed with a microprocessor control system with LED display. The external chamber is made up of sprayed steel plate and the internal material is made up of 304 stainless steel. It has various types of alarms, such as a high or low-temperature alarm and a sensor failure alarm.

Specifications

External size (W x D x H)	670 x 765 x 905 mm
Internal size (W x D x H)	470 x 470 x 300 mm
Capacity	60 L
Temp. range	-25°C ~ -60°C, adjustable
Temp. accuracy	0.1°C
Control system & Display	Microprocessor control, LED display
Audio & Visual alarm	High or low temperature alarm, Sensor failure alarm
Refrigeration type	Optimized auto-cascade refrigerating system
Refrigerant	Unique fluoride-free mixed refrigerant, CFC-Free
Condenser & Evaporator	Optimized evaporation and condensation system, strong cooling and low energy consumption
Internal material	304 stainless steel
External material	Sprayed steel plate
Consumption	330 W
Power supply	AC110V/220V±10%, 50/60Hz
Package size (W x D x H)	770 x 860 x 1080 mm
Gross weight	110 kgs

Features

- Microprocessor control system with LED display

- ˘ It contains a 100mm ultra-thick foam layer and a dual-sealing door for effective temperature protection
- ˘ It has strong cooling and low energy consumption
- ˘ Designed with an optimized auto-cascade refrigerating system
- ˘ Unique fluoride-free mixed refrigerant, CFC-Free
- ˘ It has an optimized evaporation and condensation system
- ˘ Multiple protective features include protection for refrigeration systems functioning in the event of sensor failure, password security, power-on delay, and time between pauses

Applications

- ˘ Used to store large-size items, frozen foods, reagents, chemicals, and injectables, along with other products that require freezing storage temperatures.

71-75 Shelton Street Covent Garden, London WC2H 9JQ UK.
